

Agiito to offer customers split-ticket rail bookings with Trainline partnership

- *Trainline Partner Solutions (TPS) to provide UK rail content via Platform One, including access to SplitSave*
- *Strategic partnership will also share insights and support the shift to sustainable travel*

LONDON, 11 July 2022: Trainline Partner Solutions (TPS), Trainline's B2B arm and a leading distributor of global rail content, has secured a long-term extension and further expanded on its partnership with UK travel, meeting and event specialists Agiito.

Through the partnership, Agiito's customer base will have access to UK rail content on Platform One, Trainline's tech platform, allowing access to features including Splitsave as part of the partnership in the future.

Both parties will also share insights under the strategic partnership, and support the ongoing sustainable shift towards rail within the corporate business travel sector.

Liz Emmott, Global Distribution Director, Trainline Partner Solutions comments: "We're delighted to extend our strategic partnership with Agiito. As one of the UK's leading domestic Travel Management Companies, Agiito is a perfect fit for our ongoing strategy of promoting rail as the simple and sustainable choice for business travel within the UK."

Josh Collier, Head of Proposition – Rail & Ground Transportation, Agiito, comments: "We're delighted to continue working in partnership with Trainline Partner Solutions. We know our customers will value gaining access to Trainline's thought leadership and industry-leading technology features in the future, such as their impressive SplitSave feature, which will ensure they have access to the best value fares available."
