

# Trainline is Europe's leading independent rail platform

We sell tickets on behalf of **more than 270 rail and coach companies** in over 40 countries

Our team numbers **more than 1,000 people** including 500 travel tech specialists and engineers

We have built **Europe's most downloaded travel app with a 4.9/5\* rating** and 93% of our UK transactions are made via our app<sup>i</sup>

Our customers can book in **10 currencies** and payment methods including **Apple Pay, PayPal, Google Pay, SOFORT & iDEAL**

Platform One hosts over **400 searches every second** and more than **130m visits per month**<sup>ii</sup>

We process more than **12TB of data** each day and Platform One is constantly updated with **300+ releases** every week<sup>ii</sup>

Trainline enables millions of travellers to seamlessly search, book and manage their journeys through our highly rated Trainline website, mobile app and B2B partner channels.

We work with more than 270 rail and coach companies across over 40 countries. Through our broad range of carrier partners we cover over 80% of rail routes in Europe.

By bringing all of the major carriers and new entrants onto one platform, we provide travellers with an unrivalled set of journey options. Our smart technology, data-driven features and real time information help our customers to stay one step ahead.

For our carrier and B2B partners, Trainline Partner Solutions offers access to a huge supply of rail carrier inventory across the UK and continental Europe through our proprietary platform. With tested and proven technology - we enable them to offer best in class customer experience at low cost.
